Dear Sir/Madam,

We would like to take this opportunity to inform you that the Department of Cardiology Amrita Institute of Medical Sciences has organised a one day program “Amrita heart failure update” – a practical guide to management of heart failure on 22nd July 2018 .

The concept of this meeting stems from the fact that understanding the revolution in heart failure management by all those involved in the care of heart failure patients would improve the outcome, reduce the hospitalization, thus limiting the cost of care. Hence this meeting aims at providing up to date, agreed up on knowledge and management skill to everyone involved in the care of heart failure patients.

We are honored to invite you and on behalf of the organising committee, we look forward to seeing you on 22nd July 2018
